

# CREATED BY PURPOSE AND LEAVING FOR A PURPOSE

Hebrew 11:23-28

The history of Moses

What is purpose? The reason for which something is created, made, done, or exists is called purpose.

Everything is created for a purpose that means God has created us by purpose.

No one is created without the plan and the purpose of God.

You are created to do something in this world.

Some of you are scientists, some of you are engineers, pilots, pastors, doctors, known politicians and so on. God has something in you.

We are created by the master plan of God for a purpose.

We are created by the master design of God

Moses was born at the time the king of Egypt announced every baby boy has to be killed.

And the midwives are ordered to kill every baby boy. Exodus 1:15 his mother hides him for three months.

After three months they threw him over water.

The daughter of the king took Moses from the water and he grew up in the king Pharaoh's palace.

**MOSES WAS CREATED BY PURPOSE.**

God gave him an assignment to go and free my people from the land of slavery.

There are some things that stop Moses from his purpose

to be called the child of the king

to grow up as a wealthy rich son of the king

to forget his culture and adopt himself to Egyptian language and culture
